

Bareos Project News Reader

Bareos@Nextcloud Conf

2019-09-10 19:16

"Collaboration, code and fun!" is the event's motto, and we're happy to be a part of it. You can meet members of the Bareos team at the exhibition on Saturday and Sunday the [Institute for Mathematics](#), TU Berlin. Come and talk to us!

By the way: Bareos and Nextcloud make a great team. Our backup solution can backup and restore even complex applications like Nextcloud. Read more about this in our [whitepaper](#).
