Bareos presentation on SLAC (Secure Linux Admin Conference)

2013-02-01 17:27

News from the Bareos project will be presented on the Secure Linux Admin Conference (SLAC), hosted by Heinlein Support in Berlin, 2013 June 6th-7th.

SLAC is a leading open source conference in germany. Best practices around system management with open source are presented in speeches and workshops.

SLAC Conference
