The 6th edition of the OpenExpo Europe will take place in Madrid on June 20, 2019 (La Nave Madrid, Calle Cifuentes, 5). The organizers expect more than 3,500 participants from all industries and communities, and we're happy to be a [part of this](#). Come and meet us at the booth or listen to our presentation. Stephan Duehr will be there and give an introduction to Bareos and tell you what's new in the project.
